## OPERATING PRINCIPLE

Place the feeder on the loader.

Place the film on the feeder, then separate it from the roll.

Place the feeder on the packer, introduce the laundry items in from the top.

Lower the handle to weld and cut the film.

The parcel is now ready. It has to be removed from the front of the packer.

## ZOOM ON FEEDERS LOADERS

- ✓ Integrated roll holder to make it easier to fit the film on the feeder.
- ✓ **C92 loader** equipped with an integrated blower (air flow that spreads the film) for an easier installation of film on the feeder.
